Dearest LaJuan,
It would take pages and pages to express my feelings for you! I've never had such wonderful times in all my life as I have had with you. I'll never forget a moment of it. always stay the same sweet girl you are. Much happiness always. Love ya,

Pat.

P.S. LaJuan,
I thanks you kindly for the "buggy ride" from Tom all the way to San Francisco.

Dearest Juan,
I think you're really a beautiful and sweet girl and I love you a lot. I don't have a chance to be with you much now because we are all so busy. Juan since we got back from Europe.

Love you,
Pauley

Dearest Juan,
Hang in there
real sweet,
pretty girl. Always
stay as sweet
pretty as you are
now. Best

Love,
June

Sweet Juan

Sue

Dearest Juan —
you're really one
of the nicest girls
I know. It's been
wonderful knowing you.
Lots of love
Juanita

My darlin' La Juan, T.N.T.

This is continued, but I had better finish something I started my Freshman years. I tried to tell you, how much I loved you. I know I had a darn funny way of showing it, but I really did and still do.

Thank you so much for being so open-minded. I have always loved your sweet ways and face. You are darling.

We've gone more together this summer than we ever have. I want to thank you for asking me to go Sun. night too, even though now I wished I hadn't have gone- you know ———.

I guess this is enough talk, cause you know what I think of you anyway.

I love you,
Suzy

P.S. They call me "Pearl" (strapless)

Dearest LaJuan,

I don't know how to start but anyway I do it would all mean the same thing and that is that you have been one of my best pals one of the best pals I have ever had. We have had lots of swell times together. I won't forget them either and hope you don't. Thanks a lot Honey for introducing me to you know who!!! Because I had lots of fun with you know <u>who</u>!!! You have been lots of comfort to me and I love you loads and loads.
